2018 – 2019 SUNSET ELEMENTARY AUCTION

FRIDAY, MARCH 29, 2019 | hyatt regency lake washington

Friends and Neighbors,

Wow! Our Sunset community is amazing. The love and energy at Anchors Aweigh were incredible. We were thrilled to share the evening with you! Check out more [stunning event photos](#) from Young Reflections Photography. Download your party pics today!

The generosity of our community is overwhelming.

- You raised a gross total of \$225,000 to fund for Sunset programs, grants and initiatives for the next two years.
- You fully funded our **2019 Technology Initiative**, placing 30 iPads in the Sunset Library and one in every classroom at Sunset! Your generous contributions also allow us to continue supporting critical science, technology & whole child initiatives from [prior funding cycles](#).
- You raised over \$2000 to support our Sunset Cares program which provides critical support to students in need in our school community.

A very special thank you to our family donors, business donors and corporate partners. This event would not exist without your contributions. We are grateful and amazed at what happens when our community comes together in support of Sunset.
